Игра «Замри»

Игра «Купи горшок»

A group of approximately 15 children, dressed in colorful winter coats and hats, are gathered in a grassy area with fallen leaves. They are all looking towards a woman in a red jacket who is standing slightly behind them. The background is filled with trees, some with green and yellowing leaves, and others that are evergreens. The scene is outdoors in what appears to be a park or forest.

У какого дерева
длинные иголки?

Листопад в дубовой рощице
